**Some Friendly Reminders:**

- We cannot control how fast the components will run, so please be patient if we are running late.
- The front lawn along Jones Rd. will be marked out of bounds for exhibitors, and we ask that people not walk their dogs down the road past the back of the building. Walking towards Industrial drive is fine. Anyone spotted in the out of bounds area(s) will be asked to leave with no refund.
- Please be aware of your surroundings and give all dogs some space. Trial etiquette is that dogs will not be interacting with each other.
- There is no indoor crating, minimal shade in the parking lot and no space for pop up tents. Please come prepared to keep your dog cool in your vehicle while waiting your turn.
- Please be nice to your volunteers, without volunteers, there will be no trials.
- Please be kind to your fellow competitors. Some are new either to scent detection or dog sports in general. We want everyone to have a fun time!
