

Newfoundland (All-Breed) Kennel Club
Scent Detection
Saturday May 3rd to Sunday May 4th 2025

JUDGING SCHEDULE

Flatrock Community Center
495 Windgap Road
Flatrock, Newfoundland
A1K 1C5

Important Information

- Doors will open at 8am both days.
- Registration will begin at 8:30am. General briefing will begin at 8:45am, followed immediately by the handler briefing for the Instinct class. First dog on the line at 9am.
- Change over between dogs will be very quick! We will have ring stewards both inside and outside the building to assist in rotating dogs thru as efficiently as possible. For us to stay on time, it is important that everyone know where their dog is in the running order and ensures they and their dog are prepared and ready to go when the ring steward calls you in.
- Please keep your dog inside your vehicle unless you are pottying them or you are on stand-by to enter the building/search area. Be aware of your dog at all times and do not allow them to stare at or approach any other dogs while on the trial grounds.
- Dogs entered in both Container & Interior in the same level will run back-to-back. After your dog completes their Container search, you will immediately move over to begin your Interior search.
- If you are moving up on Sunday, please make sure you pass your Move Up form into the trial secretary before you leave on Saturday.
- Your armband number can be found in your confirmation email. This will be needed for move ups.
- Sunday schedule is very tentative based on current entries. Move ups are likely to drastically change this schedule. We will send out an updated Sunday schedule as soon as possible after the Saturday trial.
- It is of extreme importance that everyone is vigilant about ensuring their dogs are not peeing or pooping inside the building, nor against the outside of the building or too close to any entrances. Easy way to remember is to not allow your dog to pee on anything "man-made." If you see any poop, please pick it up, even if it's not yours – in Agility we call this "Adopt-a-Poop!" These issues are the #1 reason that clubs lose access to these facilities. Anyone seen not picking up poop or allowing their dog to pee on the building or near the entrances may be ejected from the trial without refund and have their future entries rejected. There are tons of green spaces away from the building for potty breaks.

Newfoundland (All-Breed) Kennel Club
