## **WHAT IS THE CHASE ABILITY PROGRAM (CAP) TEST?**

This exciting event, developed after the popular Lure Coursing allows dogs to uncover their natural prey drive through chasing a lure. Most dogs, big and small really enjoy this activity. The Chase Ability Test also provides both purebreds and mixed breed dogs with the opportunity to compete and earn multiple titles and certificates in a field event that all dogs are capable of performing.

Two course lengths will be available: One 300 yard course for dogs shorter than 12 inches at the withers or brachycephalic dogs and a 600 yard course for the remainder of dogs entered.

The Chase Ability program is a Pass/Fail test. To earn a pass your dog must run alone, chasing the lure and complete the course with enthusiasm and without interruption.

### **300 YARD COURSE:**

This distance is for dogs shorter than 12 inches at the withers or brachycephalic (flat faced) dogs.

The CKC has determined the following breeds are brachycephalic.

- Affenpinscher
- Boxer
- Bulldog (all breeds)
- Chow Chow
- Japanese Chin
- Pekingese
- Shih Tzu
- Tibetan Spaniel
- Boston Terrier
- Brussels Griffon
- Chihuahua - Apple-Headed
- English Toy Spaniel
- Lhasa Apso
- Pug
- Shar-Pei

### **600 YARD COURSE:**

This distance is used for all dogs that do not run a 300 yard course.

**IF THERE IS A QUESTION AS TO WHICH COURSE A DOG SHALL RUN THE JUDGE SHALL DECIDE.**

### **ELIGIBLE PARTICIPANTS:**

The Chase Ability Program participation is open to all purebred and mixed-breed dogs at least 12 months of age that are:

Dogs with Breed disqualifications are eligible to enter.

Females in season may not enter.

A dog may only enter once per test.

Dogs run in singles (by themselves).

The CAP is an athletic pursuit that requires your dog to be in very good condition. If in the opinion of the Test Committee, any entry is found to be lame, unfit to compete or a female in season, it shall not be allowed to compete, and the entry fees shall be refunded.

### **COURSE PLAN:**

The club reserves the right to alter the course plans as required by weather and/or field conditions on the day of the test. The course will be reversed for the second test of the day. Field is mowed grass.

**RIBBONS:** Gold Qualifying ribbons will be awarded to dogs passing their test.
