Information for U.S. Visitors –Passports

BORDER CROSSING by Vehicle. With ever increasing Security Measures at our National Border Crossings everyone in the vehicle is advised to carry at least two 'proof of identity' papers with picture ID. When entering into Canada, all persons must present proper photo identification and a valid passport to Canada Customs and Immigration at a border crossing or airport terminal.

NOTE: New Regulations on Rabies Important Update to CDC Dog Importation Policy for Dogs Entering U.S. from Canada The U.S. Centres for Disease Control and Prevention (CDC) has informed CKC that they have updated their policy for dog owners and importers seeking to bring a dog into the United States. The new policy focuses on high-risk countries for dog rabies and aims to reduce the burden on dog owners and importers of dogs from countries not considered high risk. Under these changes

The most significant change to dogs entering the U.S. from Canada is that Canada will now be considered canine rabies virus variant free when importing a dog into the U.S. Dogs coming from low-risk or rabies-free countries are not required to be fully immunized or have a rabies vaccination certificate to enter the United States. This means is that a rabies vaccination certificate will no longer be required and CDC are no longer issuing unimmunized dog permits for dogs from Canada.

However, when travelers enter the United States with their dogs, they must provide written or oral statements that their dogs lived in a low-risk or rabies-free country for at least 6 months (or since birth) prior to arrival. Also note that, even if your dog is coming from a rabies-free country, dogs may still be denied entry if they appear sick, or are known to have a communicable disease.

Please consider the possible increased wait times for border crossings both N. & S. Bound.

Exchange rates: This is a good time to travel to Canada. US visitors will find that their dollar will go further.

Reminder: that using the Peace Arch park is a privilege for our club. Please live up to our reputation from previous years, and leave the site in the same wonderful condition that we find it. Thank You

Please watch The BC Branch and IWCC Facebook pages and the IWCC website for more information about the 2020 National Specialty"

An annual non-member participation fee for awards and titles will be charged to a Canadian non-member of CKC .

b) In order to protect the awards/titles earned, the non-member will have a choice either to become a CKC member or to pay the non-member participation fee. Failure to comply within 30 days of notification will cause all awards and titles to be canceled.

These fees apply only to dogs wholly owned by non-CKC members and are not applicable to CKC members."
