NOTICE TO AGILITY COMPETITORS

Exhibitors, through submission of entry, acknowledge that they are knowledgeable of ASCA® rules and regulations, and agree to abide by all rules in effect at the time of this trial.

This trial is sanctioned by the Australian Shepherd Club of America (ASCA®) with the Australian Shepherd Club of British Columbia (ASCoFBC) as the sponsor club. Exhibitors through submission of their entry acknowledge that they are knowledgeable of ASCA® rules and regulations, including the following rules regarding entry.

- All healthy, trained dogs over eighteen (18) months of age are eligible to compete in ASCA® agility trials.
- The handlers should always conduct themselves in a sportsmanlike fashion.
- Bitches in heat, lame or blind dogs are ineligible for entry.
- Any dog which demonstrates aggression towards any person or any dog, whether inside the ring or outside the ring, must be excused from the agility trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial.
- I (we) further agree that when my dog(s) are left unattended, they will be secured in a crate or x-pen. Owners/handlers whose dogs are tethered or improperly secured will not be allowed on the show grounds.
- No collars, leads, food, toys, clickers, or other aids or devices shall be permitted on the course or within ten feet of the ring entrance at any time. The only exception to this is leading your dog to the start on lead, and then handing the lead to a steward. All dogs should be on leash when not competing.
- Safety shall always be the foremost consideration in actions and conduct by handlers at all times.
- No entry shall be accepted from a dog or handler disqualified from the ASCA® agility program; a dog or handler disqualified from all ASCA® programs; or a member not in good standing with ASCA®.
- The sponsoring clubs will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result be accident or other cause. It is distinctly understood that every dog at this event is in the care and control of his owner or handler during the entire time the dog is on the show premises.
- Participation is a privilege afforded by the Host club and may be extended or withdrawn by the Host club's trial committee on suitable cause only. Refusal of such entries will be reported to ASCA®.
- There will be no refunds in the event that a dog and or handler are dismissed from competition, regardless of the reason.
- A 100% refund will be given for any request received prior to the closing date. Requests for a refund of entry fees after the closing date, up to the day before the trial, will be honored less any expenses incurred by ASCoFBC, and will be issued for the following reasons: bitches in heat, dogs injured or ill (with verification from vet on request) or family emergency. Checks not honored by the bank do not constitute a valid entry fee. There will be a \$20.00 service charge for bank returned checks.
- The Veterans Division is open to any dog age seven (7) or older, or any handler aged 60 or older, or any handler who has a certificate of disability. Dogs entered in the Veterans Division classes will jump 4" lower than their regular jump height.
- Current Jump Height Table, Breed Exemption List, description of classes, levels, and divisions are included in the current ASCA® Agility Rules and Regulations Handbook.

➤ FREQUENTLY ASKED QUESTIONS ◀

Do I have to have a tracking number to compete?

No, you do not need a tracking number in order to compete in Agility or Stock.

You will need a tracking number to enter an Obedience trial or Tracking Test.

Your dog does not have to be a purebred to receive a tracking number from ASCA®.

Why would I need or want a tracking number for my dog?

If you would like to have your dog's points and titles recorded by ASCA®, and if you'd like to receive title certificates in the mail for your accomplishments, you might want to obtain a tracking number.

How much is the total cost for a tracking number?

In order to obtain a tracking number for your dog, you must be at least a "Service" member. The cost for Service Membership is **\$10**.

- Your membership is good for one year; however, it does not need to be maintained in subsequent years, unless you want to obtain another tracking number for another dog after your membership has expired.

This membership fee is **in addition** to the tracking fee of **\$10** per dog. A tracking number is good for the lifetime of the dog. If you only have one dog, the total cost would be **\$20**. For two dogs, the cost would be **\$30**, etc.
