COVID-19 SAFETY MEASURES – VSO FIELD TESTS

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person via respiratory contact.

Federal, provincial, and local governments and health agencies recommend social distancing, wearing of face masks, hand washing, and have, in many locations, limited the congregation of groups of unrelated people. The Vizsla Society of Ontario Inc. (VSO) has put in place preventative measures to minimize the spread of COVID-19. The VSO cannot guarantee that you will not become infected with COVID-19. The following information will be shared with and enforced for all handlers, volunteers, and officials attending this event.

1. Do NOT attend these tests if you are feeling unwell or exhibiting any COVID-19 symptoms.
2. No one is allowed on the grounds other than individuals who are handling a dog, judging, or volunteering in an official capacity. **No spectators and no children.** To keep the number of people in attendance at these tests to a minimum, only 1 person - the handler - is allowed to attend, with the following exceptions:
 - a. Handlers who are minors, i.e., under the age of 18, who require a parent / guardian to accompany them.
 - b. Handlers who require another person to drive and/or accompany them due to health, mobility, or other legitimate reasons.
3. **Physical distancing** (minimum of 2 meters / 6 feet) requirements from people who do not live in your home **will be in effect at all times for EVERYBODY.**
4. At present, it is not required to wear a mask outdoors BUT all handlers, judges, and volunteers etc. are asked to bring / have a face mask on their person for everyone's protection if the 2-metre rule can't be adhered to.
5. Bring your own:
 - a. water, lunch, snacks. NO communal coffee or lunch will be provided;
 - b. water for your dogs;
 - c. lawn chair;
 - d. hand sanitizer but do not share it with others.
6. Hand sanitizer, paper towels and spray disinfectant will be situated by the Porta Potty. Signs will be posted on the Porta Potty regarding using this stuff! Read the signs and comply!
7. The area where the Test Secretary is situated will be cordoned off for her safety. Please respect this area and do NOT enter her workspace.
8. Instructions will be posted on the grounds regarding score sheets and ribbons.
9. As soon as you are done for the day, hug your dog, leave the test site, and go home.
10. Additional COVID-19 safety measure details / instructions may be emailed to handlers with the running order or posted on the grounds.
11. The Field Chair/Marshal/Secretary has the authority to enforce the safety measures imposed for these tests. Anyone failing to comply will be asked to leave the grounds immediately and forfeit all runs for the day. Please don't make them do that!

THANKS FOR YOUR COOPERATION. WE WANT EVERYONE TO STAY SAFE!
