

**JUDGING SCHEDULE**  
Halifax Kennel Club  
Some Beach Somewhere Pavilion  
73 Ryland Ave  
Bible Hill NS

**Doors open 10 am Friday for drive in 10:30 for regular set up**  
(but we will open as soon as set-up is complete for any who arrive early)  
**Doors open 7 am Saturday and Sunday**

This schedule has been developed to optimize the time of each Judge. We very much appreciate your being considerate in having your dog at ringside and ready to enter the ring based on the published schedule. Stewards will, as a courtesy, call the dogs three times after which the dog will be marked absent. For those showing multiple dogs, please have alternate arrangements made in case of conflicts.

Electricity is available. Please be kind. If you are not using the electric panel, unplug your cord so others can be accommodated. While we are hopeful that weather will be warmer next week end, portable heaters will be allowed in your set ups. We reserve the right, however, to ask that these not be used if the power to the facility does not support all of your power needs. As you know, hair dryers are heavy power users. With many used at the same time, there may not be adequate power to also run heaters. Again, this is our first rodeo. We will assess building capabilities as we move forward and may have to require heaters be set aside or used only infrequently.

- The Superintendent is in control of the precincts of the show as well as the outside parking areas and must enforce the regulations. Please do not make her job more difficult by creating your own rules. We appreciate the opportunity to use this wonderful facility and work with the management to support the few restrictions that are imposed.
- Unfortunately, there are no food trucks working in the area in March. There is an excellent restaurant in the Grand Stand <http://therustictable.ca> next door to the Pavilion. It is a one minute walk from one to the other. We do encourage you to order in advance from this restaurant. The food is excellent quality and well priced ranging from salads through pasta meals with lots in between. Given the quality of the offerings and that fact that food is not sitting pre-made but rather made once ordered, it is not a fast food experience. Our recommendation is going over, ordering in advance of when you would like to eat and planning to return to collect it or, if you have time, eating in their restaurant watching the horses train just outside the windows. Please know you are welcome to bring your own food and beverages into this facility and in your set ups.
- Coffee and pastries will be available at no charge for the early arrivals on Saturday and Sunday mornings.
- While we are hopeful that weather will be warmer next week end, portable heaters will be allowed in your set ups. We reserve the right, however, to ask that these not be used if the power to the facility does not support all of your power needs. As you know, hair dryers are heavy power users. With many used at the same time, there may not be adequate power to also run heaters. Again, this is our first rodeo. We will assess building capabilities as we move forward and may have to require heaters be set aside or used only infrequently.
- Please clean up after your dogs. It is not the responsibility of our small group of volunteers to clean up. We do all we can to make this a great weekend for you. Your assistance in keeping the inside and outside of the facility clean and in the condition, it was found when you arrive is much appreciated. Should you be unable to comply with the rules under which we are working, your continued presence at our shows may not be required.
- There will be garbage barrels throughout the building and outside as well. Please use them. We appreciate you not leaving trash, dog hair or other items in set up areas or outside requiring our limited number of volunteers to clean up after you.
- Bait is permitted but must not be thrown in the rings.
- For those with a large amount of gear to unload please use the large double doors that are at the back of the building. It will make your job easier. Drive in will be from 10 to 10:30 on Friday.

An underground line is currently causing maintenance issues at the Pavilion. There is a possibility that outdoor portable washroom facilities may need to be used. The building management is hopeful the situation may resolve before our shows but weather will have to co-operate.

### **Dog Health Reminders**

No dog may be brought onto the grounds or premises of an event if it:

- Is known to have distemper, parvovirus, kennel cough or other communicable disease;
- Has recovered from distemper, parvovirus, kennel cough or other communicable disease within the last 30 days (prior to the event);
- Has been housed within 30 days prior to the even on premises on which there existed distemper, parvovirus, kennel cough or other communicable disease.

Clubs do have the right to remove a dog from the event premises and the exhibitor may be subject to disciplinary action if it is found that CKC rules have been contravened.
