

CHAMPLAIN DOG CLUB

For several months the province has been watching the Covid 19 cases numbers closely in the various communities.

With that said and due to some communities within and outside the province having extremely high numbers of cases; Today the Peterborough Public Health is no longer approving the upcoming dog show to be held in Norwood. Community spread has become a concern as it relates to people traveling from a zone of high risk within Ontario and other provinces.

We understand the disappointment this may cause, however this decision by the province is in the best interest of all exhibitors.

Although entries have closed; At our earliest convenience Exhibitors will receive refunds as per the refund policy found in the premium list.

Stay safe and when the pandemic subsides we will continue to hold events.

Regards,
Champlain Dog Club
C. Dean Dennis
Show Chair
