2. Entry forms must be submitted with correct information and accompanied by valid payment.
3. Barn Hunt Trial entry forms submitted without a correct Barn Hunt Registration number are not considered valid entries.
 - a) All qualifying scores earned at a Trial entered with an incorrect BH number will be voided. Barn Hunt numbers always consist of the letters BH- followed by a sequence of 5 digits; i.e., BH-00001. Individuals may access their Barn Hunt number at www.barnhunt.com under "Your Dogs." If the competitor has received qualifying scores in an A level class at a higher level of competition after competing with an invalid Barn Hunt number, those qualifying scores will be voided.
4. Competitors are responsible for carefully checking their Trial confirmations and bringing errors to the attention of the Trial Secretary.

5. Barn Hunt Numbers entered on Trial entry forms which are illegible by the Trial Secretary are considered invalid. The Trial Secretary may contact the owner for clarification but is not required to do so.

6. A returned check does not constitute a valid entry into any Barn Hunt Trial or Fun Test. If a check is returned to the Club after the Trial, and the exhibitor does not pay for the check and any associated fees within a time limit set by the Club, the entry is not valid and any qualifying scores from that Event will be voided. If the competitor has received qualifying scores in an A level class at a higher level of competition after failing to pay for the check within the time limit set by the club who received the returned check, those qualifying scores will be voided.
