President and Show Chairperson Message

WELCOME TO OUR SHOW

Hello exhibitors!

On behalf of the L.D.K.C. I would like to extend a big thank-you for attending our show. This is a special show for us because we are moving to a new facility with a lot of space and new rules and regulations. Please bear with the club as we try to make this show as comfortable and as pleasant as our previous shows. We will help with any concerns or questions that arise as the show progresses. We hope that you will find the new facility a more friendly atmosphere and much nicer venue. Thank-you in advance for your support of our shows and we hope that your support will continue in future events that the club does. I wish all of you good luck this weekend and look forward to seeing you at our show, thank-you.

Bob Sera
President of L.D.K.C.

On behalf of the LDKC Show Committee, I welcome you to our 2023 Shows and Trials!

We are extremely excited about hosting our events this year in the brand new Agri-food & Trade Hall venue. We leave behind over 60 years of memories of hosting shows in the old Exhibition buildings. Many of you who have attended those shows over the years undoubtedly have fond memories of your own, and it is our hope that the 2023 shows and trials will be the beginning of new memories in the new venue for all of you.

The show committee, along with the Exhibition staff have endeavored to make the transition to the new venue as seamless as possible for exhibitors, Exhibition operations, and the LDKC. However, as with any large undertaking in a new venue, there are anticipated and unanticipated challenges. One of the most difficult challenges that came with having to move into the new venue was the subsequent increase in venue rental and associated costs. For years the LDKC strived to have one of the lowest entry fees and related costs, however, the move to the new venue brought us to the point of needing to take a hard look at our financial situation and the decision was made to increase entry fees and other associated costs to ensure viability of the LDKC moving forward.

The following sections contain essential information regarding significant changes to things like where to park, building entrances and access, unloading, and loading of equipment, and RV parking. Also, there are additional maps included to help navigate the changes.

As mentioned previously, I am sure there are going to be some glitches on setup day for sure and likely during the show. Hopefully, these are small and easy to resolve and working on them together will result in a wonderful experience moving forward. We will have a survey for you to complete after the show to obtain feedback on how to improve the show for coming years.

I look forward to seeing all of you at the show and GOOD LUCK to you in the rings!

Bill Nykiel
LDKC 2023 Show Chair
